SHIPPING	$	356.21
SALES TAX		
TOTAL	$	2,978.71

TERMS AND CONDITIONS Prices are quoted in US Dollars and valid for 60 days. Shipping costs are approximate.
The projected ship date is based upon receiving the PO, artwork and any applicable deposits today. Any delay will result in an equal delay in the ship date. Following the successful receipt of your artwork, we will supply you with a .pdf proof for your approval. The .pdf proof will show the layout and mechanical specifications of your ticket while providing a rough approximation of the color scheme. In the event that you wish to modify the .pdf proof, we will provide you with a second proof at no charge. Additional modifications to the .pdf will be invoiced at $150.00 per proof. After the .pdf proof approval, we will make the printing plates and provide you with a press proof. The press proof will show (within certain limits) the real colors that will appear on your tickets. Any changes to the press proof will be invoiced at $120.00 times the number of colors to be printed on your ticket. (NOTE: Any changes to the .pdf or press proof resulting from BOCA errors will be provided at no charge.) Customers who require delivery to California should remit sales tax to that state on a self-pay basis.

We request that you review the information presented here and advise us of any errors at your earliest convenience. Please note that your order will be based upon the details presented in this quotation and that acceptance of this quotation shall constitute a contract for sale between your company and Boca Systems, Inc. All sales are made under the provisions of the Uniform Commercial Code. Due to the made-to-order nature of Boca Systems' products, your order is non-cancelable and non-refundable. Shipments of products to your company will be made within the time period indicated on our quotation or within a reasonable period thereafter. Shipment of all products shall be FOB Boca Raton, Florida (freight prepaid) unless otherwise indicated. Partial shipments will result in increased shipping costs. All duties, tariffs, taxes, customs fees and other related charges are the responsibility of the consignee. Your company shall have ten days to inspect the products for non-conformance. Non-conformance is defined as a manufacturing defect that inhibits functional performance of the product. If non-conformance is found, and if Boca Systems is notified within five days, your company shall have the right to reject the item to Boca Systems. Boca Systems reserves the right to specify the return procedure (at no cost to your company) and to replace the product with a new item within ten days. The rejection of a single item shall not constitute the rejection of any lot of items. Failure of your company to notify Boca Systems of non-conformance within five days shall constitute acceptance of the product. Additional terms, conditions and warranty provisions can be found on www.bocasystems.com
